

March 5, 2011

Dear Fellow Cove Lakefront Home Owner,

Good news and bad news for all of the residents on Cove Lake.

The good news is I have not given up on keeping Cove Lake an asset to our homes and neighborhood.

The bad news is that not enough of you are contributing toward the maintenance of the lake to continue to have it treated monthly. Less than half of the residents of Cove Lake contributed last year. Due to the shortfall I have had to cancel the monthly maintenance of the Lake. But because there are still enough residents who are willing to contribute I have changed the contract with Aquatic Systems, Inc. from monthly to quarterly. I am hoping having the lake treated quarterly will be enough to keep it from becoming overgrown with weeds and algae. The quarterly price, while less than the monthly price is still over \$2,200 annually. This includes postage for this letter, envelopes, etc.

I am once again asking that all Cove Lakefront Home Owners remit your portion of the annual maintenance fee so that we can continue to use the **quarterly** services of Aquatic Systems, Inc. to maintain the lake by keeping the weeds and algae under control.

The annual maintenance fee we ask of each home located on the lake is \$100 for ongoing treatments to the Cove Lake.

Please make all checks (\$100) payable to:

**The Cove Lakefront Homeowners Association**  
**6704 Harbor View Way**  
**Tampa FL, 33615**

Thanks in advance for your help in keeping **our** lake clean and weed-free.

Sincerely,

*John Long*
